

Taseko Mines Limited of Vancouver, B.C. is a mining exploration, development and production company focused on creating wealth through the growth and development of current assets, as well as the acquisition of other promising projects. Taseko's main assets are the Gibraltar copper-molybdenum mine, the Prosperity gold-copper project, and the Harmony Gold and Aley Niobium prospects. The Gibraltar Mine, located near the City of Williams Lake in the beautiful Cariboo region of British Columbia, is the second largest open pit copper mine in Canada with daily mill throughput of 46,000 tons. Gibraltar is currently undergoing upgrades to the mill and concentrator which will increase mill throughput to 55,000 tons per day and results in a 27 year mine life based on current reserves. The company's Prosperity Project located 125 km south west of Williams Lake, hosts a large gold-copper reserve, has recently been granted a Provincial Assessment Certificate and is being advanced through permitting.
