

Western Coal

CAREER OPPORTUNITIES...

The Wolverine Mine is located approximately 23 kilometers west of the community of Tumbler Ridge, BC. The workforce at this open pit coal mining operation is working a variety of schedules including a 1 week on / 1 week off rotation, 4 days on / 4 days off and a 5 days on / 5 days off schedule.

To support the continued growth and development of the Wolverine Mine, we are excited to announce the following job opportunities for highly motivated and team oriented individuals to join us.

Western Coal Corp. is currently seeking:

Hourly

- Automotive Mechanic
- Grader Operator
- Dozer Operator
- Driller Operator
- Electrician
- Haul Truck Operator
- Heavy Duty Mechanic
- Millwright
- Mining Excavator Operator

Staff

- Administrative Assistant
- Environmental Coordinator
- Mine Engineer
- Mine Supervisor
- Mobile Maintenance Supervisor

We thank all applicants for their interest. However only those selected for an interview will be contacted. As a condition of employment candidates must meet the requirements of our pre-employment Drug and Alcohol screening

To apply, please forward a cover letter and resume including references to Human Resources:
